OMS Newsletter

October 2023

OMS Students, Families, and Staff,

The students have completed their first district wide assessment in ELA and math for the 23-24 school year!! The new platform is called iReady. This assessment breaks down what grade level students are performing at in the sub categories (vocabulary, geometry, etc.). The students will be assigned learning paths to help reinforce their learning and growth. Please stay tuned as the district finalizes the plan to communicate scores to families. OMS will no longer be using the IXL platform.

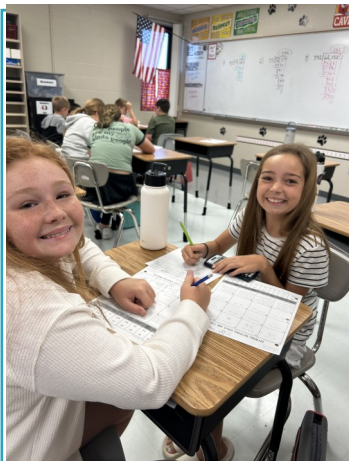

PTO had our first ever FOAM party!!! It was a great success with the perfect weather! The students enjoyed fellowship their peers, teachers and future bulldogs! Who would not love to have foam shot out on them?!?! I can only say—welcome to middle school life!

Yours in Education,

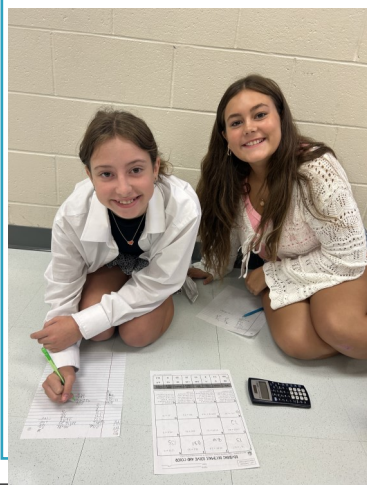

Mrs. Malizzi, - OMS Principal

The Bulldog

6th Grade Math

Dates of Interest:

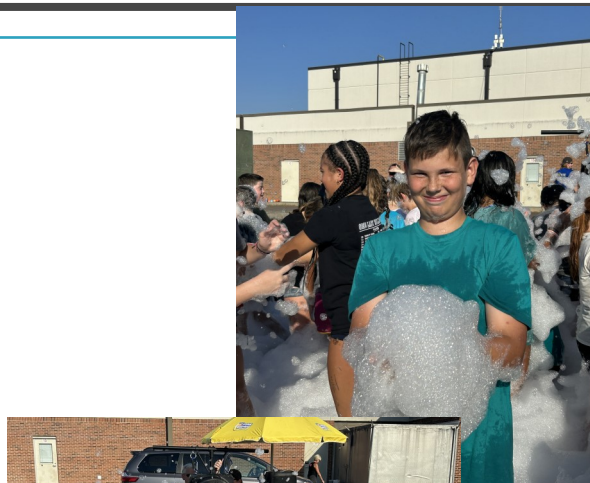

October 4th: Special Olympics

**October 13th: End of First
Quarter**

**October 17th & 18th: Parent/
Teacher Conferences**

October 20th: No School

November 3rd: No School

Teachers will be contacting parents for the October parent/teacher conferences for students whom they have concerns with grades, behavior or attendance, so we can partner together. If you would like a conference please call the OMS office, and we will get one set-up! Teachers LOVE to brag on their students! Every child has positive things that need to be shared!
