**OMS Newsletter**

**November 2023**

OMS Students, Families, and Staff,

Congratulations to our 110 students who had perfect attendance for first quarter! Mrs. Cowman treated the students to Pizza Hut pizza and games for lunch last week! We are so proud of our students for making school a priority and not getting sick!

A huge shout-out to our PTO ladies! They purchased glow-in-the-dark rubber bracelets for our students for Halloween. You are never too old for a glow-in-the-dark bracelet!

Last month these amazing staff members were chosen for our OMS Celebrity of the Month: Mrs. Smith, Miss Burkholder, and Mr. Hotmer. These outstanding individuals bring positivity to school each day and go above and beyond for our students!

The 7th grade students got to attend the Mavericks' school day. They were engaged with STEM activities, as well as the game! Unfortunately the Mavericks lost, but the kids came back to school excited about this great opportunity! We appreciate our students who had 90% or better attendance, good grades, and remarkable behavior.

We continue to be proud of all of our students each day!

Yours in Education,

*Mrs. Malizzi, OMS Principal*

Halloween Fun at OMS!
